MOTTO

EDUCATION IS THE MOVEMENT FROM DARKNESS TO LIGHT

VISION

Dr. Radhakrishnan College has been at the forefront of teacher education since 2005. Our Vision is to cultivate a community of lifelong learners who are empowered to achieve their fullest potential, become innovative Self Study Report of DR. RADHAKRISHNAN COLLEGE OF EDUCATION leaders, and contribute to a global society. We strive to provide an inclusive, dynamic, and supportive environment that fosters academic excellence, critical thinking, and a passion for discovery.

MISSION

We are dedicated to fostering an environment of academic excellence, innovative research, and holistic development. We aim to provide Quality Education, Promote Research and Innovation, Cultivate Ethical Leadership, Embrace Inclusivity and Diversity, Engage with the Community, Promote Sustainability, and Support Lifelong Learning in response to society's increasing need for high-quality education.

OBJECTIVES

We are aiming to provide excellence in professional education to produce trained and skilled teachers with sound knowledge in different teaching techniques to develop skills needed for efficient teachers in the school and above all to promote human and national values to meet evergrowing demands of teaching professional in M.P.

About the College

Dr. Radhakrishnan College of Education is established by **New Akansha Shiksha Samiti** in the year 2005, is located in Patan road Karmeta, Jabalpur. The college is running the teacher training courses like **D.El.Ed, B.Ed, and M.Ed.** **Dr. Radhakrishnan College of Education** is approved by NCTE (New Delhi) and affiliated to RDVV, Jabalpur. The college is located in rural area, campus is pollution free and provides healthy and safe environment. The college has excellent infrastructure which facilitates the imparting and quality education. The college stands for the quality and excellence, gender equality and social welfare for the benefits of the larger community. The college has qualified teachers and dedicated staff members who are committed to the achievements of its goals and objectives. The college plans, actions and strategy of implementation are in tune with its duly stated purpose, vision, mission and values. It obtains and uses feedback from stakeholders, in curriculum development and institutional planning. It modifies course of action to meet the emerging needs, and develops and deploys action plans to achieve the objectives and ensures effective implementation of the curriculum. The students are engaged in active learning, given comprehensive learning experiences, enabled to managing diverse learning needs and challenges.

The college has enough physical and instructional infrastructure facilities. Continuous augmentation enables it to keep pace with academic growth. Adequate learning resources, mechanism to review the library related services and decision making are in order. The campus environment practice of mentoring and monitoring progress of the students support and enhance the effectiveness of the faculty and students. Developing leadership qualities through real work situation among the students is another feature. The college has well established functional internal quality management system that collects, aligns, integrates and communicates information on academic and administrative aspects of the college. Participatory work culture and transparency are norms of governance. Resource management practices support and encourage performance improvement, planning and implementation strategies. The college is sensitive to changing educational and social demands in rural side are geared to promote an ambience of creativity, innovation and improving quality. Value based education, social justice; social responsibilities and good citizenry top the agenda of the college.

COLLEGE OF EDUCATION

Institution promises to provide skilled, trained, dedicated, and devoted teachers for the Society to enhancement of power in nation building.

"Think of it now

Think of the future

Let us strive to save the Earth

Who is our mother worth."

With Best Wishes

Mr. Abhishek Choubey
Managing Director

Best Wishes From Professor and Head

Dr. Radhakrishnan College of Education has qualified teachers and they take keen interest in molding and shaping the students to become complete individuals. This is my pleasure in being a part of this great team. The vision and an outstanding organization of managing society was able to plan the institute on the soul of Karmeta Village is a great success.

The law of the survival of the fittest was never so valid as it is today therefore our sane counsel is seek and will Bent it. It is my fervent prayer that almighty God bless this institution so it may prove a colossal success and flourish in all activities to the fullest measures.

With best wishes

Dr. Bhawana Soneji
Professor and Head

From the Desk of Principal

Innovation is the key to progress. I encourage you my dear Students to think creatively, explore new ideas, and develop innovation solution to seal world problems.

Dr. Lakhwinder Jassal
Principal
