

## **Dr. Radhakrishnan College Of Education**

Patan Road Near New RTO Karmeta Jabalpur (M.P.)482002

### **6.1.2 : Decentralization and Participative Management**

The college has an efficient system in place to encourage decentralization and participative management. It assigns various tasks to the non-teaching and teaching staff based on their qualifications and abilities.

Effective steps are taken by the college administration to promote and facilitate staff participation in the college's growth and year-round efficient operation.

The several committees that are assigned to different college members, as stated in the college prospectus that is accessible on the college website, demonstrate this decentralization of various functions and responsibilities:
