6.1.3_ QLM. Describe the institute to words maintenance of transparency in its financial, academic, administrative and other functions in not more than 500 words.

Dr. Radhakrishnan college of Education is committed to maintaining transparency across all its function, including financial, academic, administrative, and other areas. Through a combination of policies, practices, and communication strategies, the college ensures that stakeholders are well-informed and involved in decision making processes.

⇒ Financial Transparency:

1. Budget Transparency: - The College maintain an open and transparent budgeting process, where budget allocations and expenditures are documented and made accessible to stakeholders. This includes detailed breakdowns of revenue sources expenses, and investments.
2. Financial Reporting: - Regular financial reports are prepared and disseminated to faculty, staff, students, and governing bodies. These reports provide clear insights in to the colleges, financial health, including income expenditures, assets and liabilities.
3. Auditing and Compliance: - The College undergoes regular financial audits conducted by independent auditing firms to ensure compliance with accounting standards and regulations. Audit reports are shared with stakeholders, demonstrating the college's commitment to accountability and integrity.

⇒ Academic Transparency:

1. Curriculum Transparency: The College maintains transparency in its academic programs by providing detailed information about curriculum structure, course offerings, learning objectives, and assessment methods. This information is readily available to correct and prospective students, enabling them to make information decisions about their educational pathways.
2. Grading and Assessment: Transparent grading and assessment practices are followed, with clear criteria and rubrics provided to students for evaluating their performance. Additionally, feedback mechanisms are in place to ensure transparency and fairness in the assessment process.
3. Academic Policies: The College publishes and communicates academic policies and procedure to all stakeholders, ensuring clarity and consistency in academic standards and expectation. This includes policies related to admission, registration, progression and graduation requirement.

⇒ Administrative Transparency:

1. **Governance Structure:** The College maintains a transparent governance structure, with clearly defined roles and responsibilities for administrators, faculty members, staff and governing bodies. Decision making processes are conducted openly, with opportunities for input and feedback from stakeholders.
2. **Communication Channels:** Transparent communication channels, such as newspapers, websites emails and meetings are utilized to keep stakeholders informed about administrative decision initiatives and development, Regular updates and announcements ensure that information flows freely within the college community.

Conflict of interest policies: The College has established clear policies and procedures to address conflicts of interest among administrators, faculty and staff. These policies promote transparency and integrity in decision making processes, safeguarding the colleges reputation and ethical standards.
