PRINCIPAL
Dr. Radhakrishnan College of
Education Karmeta, Jabalpur

Dr. Radhakrishnan College of Education believes in a judicious combination of teaching and research for the benefit of student community at large. The institution envisages innovation and technological development through R & D cell. It has plans to cultivate academic and research collaborations with other colleges to meet the immediate needs of society. The institution also remains committed to long term research as the foundation for future development.

Central R & D Cell

The R & D Cell comprises of faculty members from various departments in the Institution. This committee oversees the smooth and efficient coordination of research and development activities in the Institution, thus fostering overall growth. The members will contribute towards enhancing research and development at Dr. Radhakrishnan College of Education.

- The R & D Committee will plan, promote and evaluate R & D activity like funded R & D projects and consultancy projects at the institutional level.
- The members meet once in a month to discuss the status of ongoing projects and plans for the upcoming projects.
- The R & D cell measures the attainment of the achievements and recommends the performer for appreciation.

A senior faculty heads this cell in the capacity of R & D Coordinator, with Principal providing advisory support.

The constitution of the cell is as follows:

Chairman: Principal

Co-Chairman: R & D Coordinator

Members: Each department has the R & D Coordinator who will monitor the R & D activities of the department. The faculty of the departments will be groups into clusters based on their interest and they will be allotted projects pertaining to their areas of expertise.

Responsibility of R & D Cell:

- i. To encourage and motivate faculty for submitting proposals to externally funded research and development projects.
- ii. To support interdisciplinary and multidisciplinary research, development, publications.
- iii. To conduct seminars, workshops, conferences and training programmes for inculcating research culture among faculty.
- iv. To encourage faculty to deliver talks and be resource person for various events like seminars, workshops, conferences and training programmes.
- v. To visit R & D organizations and disseminate information regarding the effective implementation of research projects.
- vi. To depute faculty for seminars, workshops, FDPs and conferences in order to upgrade their knowledge.

Policy of encouragement to employees:

Teaching and Research are the main functions assigned to the faculty of the Institution. Teaching is a prime function that needs to be performed at the highest level of competence and this is possible only when the faculty is involved in the research activities. Research essentially nourishes the academic program and updates the faculty about the advances in their field of expertise.

National Education Policy 2020 is the main element for institutes of Higher Education and Research and Development Cell is established to increase the quality and efficiency of education.

- Organize Seminar and conferences yearly
- Each faculty has to publish at least one paper
- Help from institute for attending conference / seminar

The RDC in Dr. Radhakrishnan college of Education with the mandate for promoting quality research that contributes meaningfully towards the goal of a self-reliant India (“Atma-Nirbhar Bharat”), aligned with the provisions of NEP-2020.

Dr. Radhakrishnan college of Education can foster the human elements (faculty, staff, scholars, and students), logistics (land, buildings, and facilities), knowledge resources (research equipment, project utilities, and consumables), fund flow, etc. through a steady, proficient, effective governance (Rules, Norms, and Policies) and financial (Grants and Funds) management. Dedicated leadership and administrative structure for research, led by

experienced researchers, are essential for establishing effective and robust Research Governance in RDC at Dr. Radhakrishnan college of Education.

Indian government is promoting for the research. The research at college level is the first step to create research activities among the youths. Therefore, The Research and Development Cell is established to promote research activities at Dr. Radhakrishnan college of Education.

The Cell objective is to monitor research programs for Faculty, Students & Industries to undertake quality research activities. R&D Cell of the institution is pursuing a policy to support its faculty and students belonging to diverse disciplines of Engineering and Sciences so as to promote R&D activities and improve the quality of work and sustainability. The R & D policies are mainly focused on patents, research publications, Ph.D programme and research Projects. This policy aims to establish an integrated and coordinated approach towards research and development and promote innovative techniques. In addition to that institute has industrial back bone.

THE MAJOR OUTCOME OF R & D CELL IS:

- Our faculties have published more than ... research papers in National journals.
- Institute has signed MOUs with different organizations.
- Institute has conducted more than Events and webinars.
